

6. Arrangements

- 6.1 The ACW Course Coordinator will prepare an invitation for the scholarship awardee as early as possible, so that the awardee can make arrangements at their end; apply for leave, check validity of passport and apply for a visa, if needed.
- 6.2 The ACW Course Coordinator will book, and pay for travel arrangements, travel insurance, accommodation, a living/meals allowance and taxis out of ACW funds.
- 6.3 As part of the registration requirements, the awardee must prepare a short presentation describing a case study of a recent surgical complication they were personally involved with, prior to attending the Workshop. Further information will be supplied by the ACW Course Coordinator within two (2) months of the Workshop date.
